Education

BSc. Audio Engineering

REC Música, Centro de Estudios Musicales

Mexico City, Mexico
August 2016 - December 2020

MSc. Sound and Music Computing

Universitat Pompeu Fabra

Barcelona, Spain
September 2022 - July 2024

Technical skills

Languages

Spanish (native), English (C2), Catalan (B1), German (A1)

Programming

Python, JavaScript, HTML, Lua, C++, MATLAB

Audio tools

ProTools, LogicPro, Ableton, Reaper, PureData, Max/MSP, Supercollider, JUCE

Lastest projects

The Letter Day Project

First graders learned letters through a pen interface with sound feedback, linking letter shapes and sounds. This engaged students and guided their writing using auditory cues.

Graz, Austria
September 2024 - Present

Modeling Voltage Controlled Oscillator Modules using Augmented Neural Networks

This master thesis explores using advanced neural networks to digitally model the unique Voltage Controlled Oscillator (VCO) module found in analog synthesizers, aiming to preserve and replicate its original sound through innovative digital techniques.

Barcelona, Spain
July 2023 - Present

Work experience & internships

Teaching assistant

Kunstuniversität Graz & IEM

Contributing to PhD duties by assisting in courses related to Sonic Interaction Design.

Graz, Austria
2024 - Present

Operations Engineer

BMAT Music Innovators

Ensured smooth server operations as part of the recording and data management team.

Barcelona, Spain
2024

Teaching assistant

Universitat Pompeu Fabra

Assisted in teaching digital media and signal processing as part of graduate courses.

Barcelona, Spain
2023

Intern Researcher

Music Technology Group & BMAT

Conducted research for the Loudsense project, focusing on audio technology innovations.

Barcelona, Spain
2023 - 2024

Recording Studio Assistant

Topetitud Estudio // Woodlock Studio

Supported studio sessions, assisting in recording, editing, and equipment maintenance.

Mexico City, Mexico
2020 - 2021

Certifications

PT101 & PT110

AVID

2019

IELTS ACADEMIC

IELTS

8.0 overall score (C1)

2021
